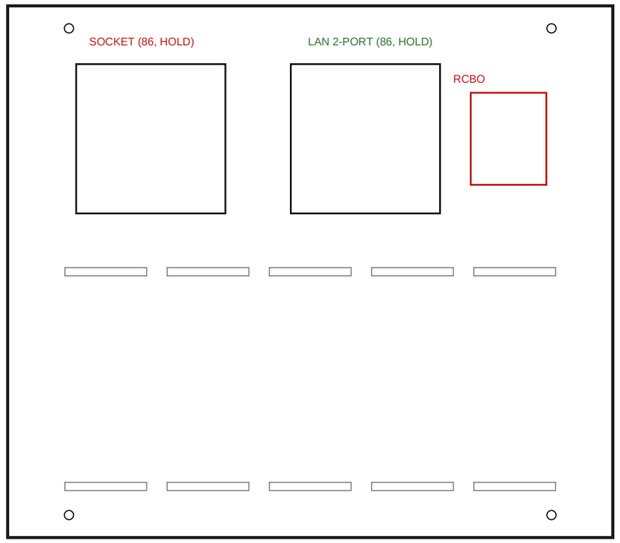
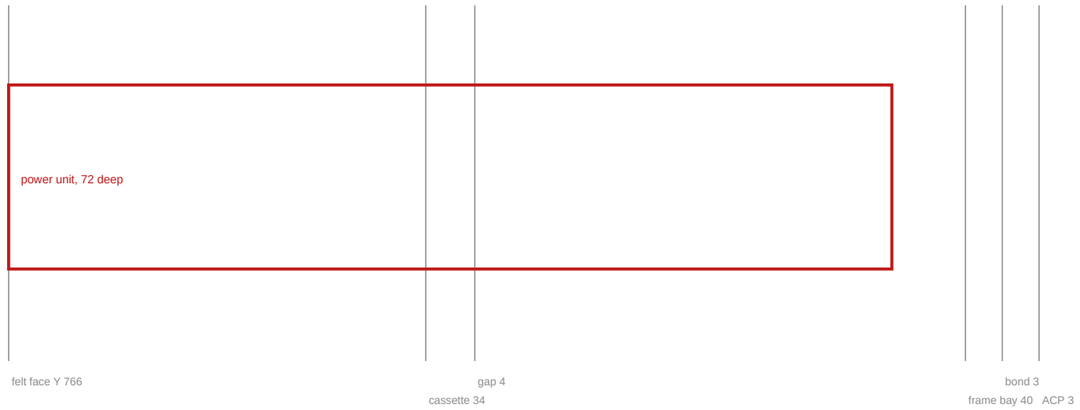
FACE OF THE POWER UNIT, seen from inside the pod (looking toward +Y), 1:3



296 x 260 (X 95-391, Z 870-1130 in the pod); 4 x M4 at 30 / 11 from the edges

DEPTH SECTION THROUGH B2, 2:1 (toward the skin to the right)



Unit fixed to B2's frame (fixing HOLD, WALL IF-12); cassette cut-out 4 mm clear all round (floating lining).

PARTS OF 710001

ITEM	PART NO.	NAME	QTY	UNIT	MATERIAL / FINISH	STATUS
1	711001	ELECTRICAL - POWER UNIT - ENCLOSURE BODY	1	pc	aluminium 5052-H32 1.0 mm, mill finish (hidden, D-79)	DRAFT; HOLD features: the fixing to B2's frame (WALL, IF-12) and the earth stud hole (PEM data)
2	711002	ELECTRICAL - POWER UNIT - FRONT PLATE	1	pc	aluminium 5052-H32 1.5 mm, black anodised AA20 (visible aluminium, D-67)	DRAFT; HOLD features: the two 86-plate openings (UTEN codes, H-ELE-04)
3	718001	ELECTRICAL - 12 V SUPPLY - 60 W CLASS 2	3	pc	potted plastic case, IP67	HOLD (bought part: no order, no supplier contact; guideline 4.3)
4	718002	ELECTRICAL - LED CONTROLLER - 3 CHANNEL 12 V PWM - RS-485	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
5	718003	ELECTRICAL - RCBO - 1P+N C10 30 MA TYPE A	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
6	718004	ELECTRICAL - APPLIANCE INLET - POWERCON TRUE1 TOP	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
7	718005	ELECTRICAL - INLET SEALING CAP	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
8	718006	ELECTRICAL - LAN FEED-THROUGH - ETHERCON	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
9	718007	ELECTRICAL - USER SOCKET - UTEN S300 UNIVERSAL	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
10	718008	ELECTRICAL - LAN SOCKET - UTEN S300 TWO PORT	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
11	718009	ELECTRICAL - BACK BOX - 86 PLATE	2	pc	PC	HOLD (bought part: no order, no supplier contact; guideline 4.3)
12	718010	ELECTRICAL - DIN RAIL - TS35 X 7.5 - 100 MM	1	pc	steel, zinc plated	HOLD (bought part: no order, no supplier contact; guideline 4.3)
13	718011	ELECTRICAL - FUSE HOLDER - ATO BLADE - INLINE	2	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
14	718012	ELECTRICAL - FUSE - ATO 5 A 32 V	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
15	718013	ELECTRICAL - FUSE - ATO 5 A 32 V - LIGHTS	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)
16	718019	ELECTRICAL - SCREW - M4 X 8 - ISO 7045 A2 PAN HEAD	4	pc	stainless steel, plain (A2 stainless)	HOLD (bought part: no order, no supplier contact; guideline 4.3)
17	718047	ELECTRICAL - CLINCH NUT - M4 - FOR 1.0 MM ALUMINIUM	4	pc	aluminium, plain, as supplied	HOLD (bought part: no order, no supplier contact; guideline 4.3)
18	718014	ELECTRICAL - EARTH STUD - M5 SELF-CLINCHING	1	pc	aluminium, plain, as supplied	HOLD (bought part: no order, no supplier contact; guideline 4.3)
19	718015	ELECTRICAL - BONDING WASHER - SERRATED M6 A2	1	pc	stainless A2	HOLD (bought part: no order, no supplier contact; guideline 4.3)
20	718016	ELECTRICAL - RING TERMINAL - INSULATED 1.5-2.5 MM2	5	pc	tinned copper	HOLD (bought part: no order, no supplier contact; guideline 4.3)
21	718017	ELECTRICAL - CONDUIT - PVC FLEXIBLE - 20 MM	0.6	m	PVC	HOLD (bought part: no order, no supplier contact; guideline 4.3)
22	838001	HARDWARE - SOCKET HEAD BOLT - M6 X 16 - ISO 4762 8.8 ZINC	4	pc	steel, zinc plated	HOLD (bought part: no order, no supplier contact; guideline 4.3)
23	838004	HARDWARE - WASHER - M6 LARGE - ISO 7093-1 6.4 X 18 A2	4	pc	stainless steel, plain (A2 stainless)	HOLD (bought part: no order, no supplier contact; guideline 4.3)
24	838003	HARDWARE - RIVET NUT - M6 - SHEREX CAH3-610-4.2	4	pc	aluminium, plain, as supplied	HOLD (bought part: no order, no supplier contact; guideline 4.3)
25	718020	ELECTRICAL - WIRE - H07V-K 1.5 MM2 (BROWN, BLUE, GREEN-YELLOW)	2.76	m		HOLD (bought part: no order, no supplier contact; guideline 4.3)
26	718021	ELECTRICAL - WIRE - H05V-K 1.0 MM2	1.5	m		HOLD (bought part: no order, no supplier contact; guideline 4.3)
27	718022	ELECTRICAL - WIRE - H07V-K 2.5 MM2 GREEN-YELLOW	0.3	m		HOLD (bought part: no order, no supplier contact; guideline 4.3)
28	718073	ELECTRICAL - CURRENT SENSE MODULE - 12 V 0-5 A	1	pc		HOLD (bought part: no order, no supplier contact; guideline 4.3)

NOTES

Wiring inside the unit: wiring diagram sheet 1 (710000). Leads out: W10a top (6-way), W20a/W24a/W30a/W31a right side.
Factory test of the unit before B2 ships: earth continuity <= 0.1 ohm, insulation >= 1 Mohm at 500 V DC, RCBO trip, rails 12 V +/-3 %.
UNITS: mm. GENERAL TOLERANCE: harness segment lengths +20/-0 mm; positions taken from the route model +/-5 mm;
sheet-metal parts ISO 2768-m (their DXF or drawing rules). Status of every number: parts list and harness list.
Every harness segment is tested in the factory before it ships (D-87): continuity, polarity, no shorts, latch pull,
label with its ID. Cables clip to the cassette tray only (D-26). Supply side = receptacle (female contacts).
Bought parts are on HOLD: no order, no supplier contact. Generated by assembly_sheets.py from the model and parts data.

PROJECT	FocusPod v2 - Spaceship
TITLE	**ELECTRICAL - POWER UNIT - B2: ASSEMBLY**
DWG / PART NO.	710001 (assembly)
REV / STATUS	P01 / DRAFT - not for production
UNITS: mm / SCALE	UNITS: mm / 1:3 face, 2:1 section (schematic)
SHEET	1 of 1
