NOTES

1. Glass: 4+4 laminated safety glass, two toughened, heat-soaked panes (EN 12150, EN 14179) with 0.76 mm grey PVB, 8.76 nominal (D-27, D-46). Product HOLD until the supplier names one (ISS-074).
2. Outline 1:1 in 361001_P01_FRONT-DOOR-LEAF-4-4-LAMINATED_DXF.dxf (origin: the hinge edge at the leaf bottom; X right, Y up, seen from outside). The leaf's visible outline is the skeleton's measured v1 trapezoid; the bottom 25 mm sit inside the kick strip, and its latch side there runs straight down.
3. No holes, notches or cut-outs until the hinges and pull are named (PM ruling). The hinge, pull and catch positions on the unit drawing are reserved spaces only.
4. Edges: ground and arrised before toughening. Tolerances (PROPOSED, the glass supplier confirms): sizes +/-1, diagonals +/-1, thickness to the supplier's standard.
5. Sizes are measured from the hinge edge (X -961) and the bottom edge (Z 80), the DXF's origin. The top is 6 mm below DT's underside for the magnetic catch (PM ruling).
6. UNITS: mm. Angles in degrees. Mass in kg.
7. Projection: first angle (ISO 5456-2). The front view looks toward +Y, at the door from outside the pod; the iso view is for reading only. 2D axes: front X(2D)=X, Y(2D)=Z (guideline 3.3). Coordinates are the pod's (conventions 4).
8. No ISO 2768 class on glass, seals or sandwich parts (conventions 3). Tolerances given here are PROPOSED from function until the maker confirms what it holds.
9. Status DRAFT P01: for the prototype and the factory's door sample only, not released (conventions 8).
10. Why each feature is where it is: v2/02-Drawings/front/FEATURE-RATIONALE.md. Parts list: v2/03-Manufacturing/front/*_BOM.csv.

TITLE DATA	
PART NO.	361001
NAME	FRONT - DOOR LEAF - 4+4 LAMINATED
TÊN	Tấm kính cửa 4+4
REV / STATUS	P01 / DRAFT
MATERIAL	4+4 laminated toughened heat-soaked glass, grey PVB
FINISH	edges ground and arrised
SCALE	1:10
UNITS	mm
PROJECTION	first angle
SHEET	A2
MASS	43.9 kg (calculation)

Dept.	Technical reference	Created by	Approved by
		Autonomous 1/11/26	
		Document type	Document status: DRAFT
		Title: FRONT - DOOR LEAF - 4+4 LAMINATED	DWG No.: 361001
			Rev.: P01 / Date of issue / Sheet: 1/1
